**Notice**

Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent

I, \_\_\_\_\_, one of the people (as seen in Georgia Constitution Bill of Rights Section 2 Paragraph 1), Sui Juris, in this Court of Record, bring the following claims and facts, that you and your agents may provide due care;

Please take notice that our Georgia State Constitution, which you have already sworn to, explains that the People have the right to regulate their internal government, and therefore, when the people may need, there is a guaranteed right to reform, alter or abolish government. It is my will to give notice of the true law set forth by the people (see constitutional provision below);

**Georgia Constitution Bill of Rights Section 2 Paragraph II:  
Object of Government**

**Text of Paragraph II:  
Object of Government**

The people of this state have the inherent right of regulating their internal government. Government is instituted for the protection, security, and benefit of the people; and at all times, they have the right to alter or reform the same whenever the public good may require it. [Emphasis by Highlight Added]

Please take further notice that all governments started with the People. It was founded and based on the People's will and never about the desires or will of the government officers. The People addressed you as trustees and servants and all times to be accountable to the People. Therefore, the People are not limited by your statutory limits (please see the Constitutional Provision below):

**Georgia Constitution Bill of Rights Section 2 Paragraph 1:  
Text of Paragraph I:  
Origin and Foundation of Government**

All government, of right, originates with the people, is founded upon their will only and is instituted solely for the good of the whole. Public officers are the trustees and servants of the people and are at all times amenable to them. [Emphasis by Highlight Added]

Please take further notice that the government is to be regulated by the People and as Trustees and Servants. It is your duty to carry out the wishes of the People who granted authority for you to handle the people's business, and therefore, I am presenting fundamental law and instructions that you may observe and carry out the will of one of the People (Please see the Constitutional Provision supporting this authority below):

**Georgia Constitution Bill of Rights Section 1 Paragraph IX:  
Right to Assemble and Petition**

The people have the right to assemble peaceably for their common good and to apply by petition or remonstrance to those vested with the powers of government for redress of grievances.

[Emphasis by Highlight Added]

Please take further notice that the only reason that the People have power to Remonstrate is because the government is created to carry out their will and when government is functioning in a way that goes against the People's will and authority, the People are to correct their behavior and lead them in ways consistent with the constitution and that redress grievances. I, as one of the People, am in full support of a full forensic audit of Fulton County and Chatham County and believe that this is a right of the people, and therefore, order you to immediately do all things necessary to bring for the desired full and complete forensic audit of all paper ballots both in person and absentee, all machines, related software, ballots, routers, internet devices as well as any other election related materials and systems with the use of Col. Waldron and/or Jovan Hutton Pulitzer. The audit shall make provision for Democrat, Republican, Independent and any other party's ability to witness said audit. Results of the Audit shall be made available to the public.
